

Granville Stonechip

500ml Aero Black & 500ml Aero White

Product Description

Granville over-paintable Stone Chip coatings have anti corrosion and sound deadening properties based on rubber and resins. After drying, the coatings are overpaintable with most commonly used paint systems. Once the product has dried completely, a durable elastic film remains. These products offer good protection against various climates and gravel.

Product Benefits

Protects against rust. Can be over-painted with matching topcoat.

- *Over-paintable after 10 minutes
- *Coats are touch dry after 30 minutes
- *Recommended total drying time is 24 hours

* Image for illustrative purposes only.

Size	Part No	Barcode
500ml Aero Black	0989	5020618009894
500ml Aero White	0991	5020618009917
